4. **If you are planning to transfer to the UC system and you are using IGETC look at Area 6 of IGETC.** If you are using your high school transcripts to verify completion of IGETC Area 6, make sure to have a copy of your high school transcripts sent to College of San Mateo Office of Admissions and Records. Also, when sending official CSM transcripts to universities requesting IGETC you NEED to request IGETC Certification on WebSmart.

5. **If you have completed coursework at any colleges or universities outside of the San Mateo County Community College District AND College of San Mateo is your “home” college, then you must have your official transcripts from those institutions sent to College of San Mateo Admissions and Records office.** The transcript evaluation includes a review of each course you have completed and each course is evaluated and applied to educational goals available at CSM. The completed evaluation shows up in your Degree Works Audit and in your Student Educational Plan (SEP). For more information go to smccd.edu/transcript/

6. **When transferring students are required to send official transcripts from each college or university attended.** Be Advised, College of San Mateo is authorized to send only transcripts that reflect coursework completed within SMCCCD. You must request official transcripts be sent to your transfer destination from every college/university in which you have enrolled. (CSM cannot forward on transcripts from other universities.)

7. **International students and students who have attended colleges, universities, or vocational schools in other countries must send transcripts from those institutions to their transfer destination.** For transfer, US institutions require transcripts from all institutions that have been attended in the US and outside of the US. Failure to supply transcripts will result in admissions denial.

8. **If receiving an Associate Degree OR an Associate of Transfer Degree you MUST apply for your degree during the last semester of attendance by going to collegeofsanmateo.edu/forms/admissions.asp.** Check deadline dates in Schedule of Classes or under Important Dates on the CSM Website.
