## Prepare to apply

UNIVERSITY  
OF  
CALIFORNIA

This is a screen shot of the application showing the locations of the nine undergraduate campuses available for freshman or transfer admission. The map will display dependent on the resolution and screen size of the computer or mobile device.

The UC is one of the largest university systems in the world offering undergraduate and graduate programs on campuses located across the state. Applicants are encouraged to apply to more than one UC campus. This will significantly increase your chances of being admitted to the UC system. While you may not receive an offer of admission from your first-choice campus, all of our campuses — without exception — provide outstanding opportunities for you to learn and grow.

**Additional notes for reference:**

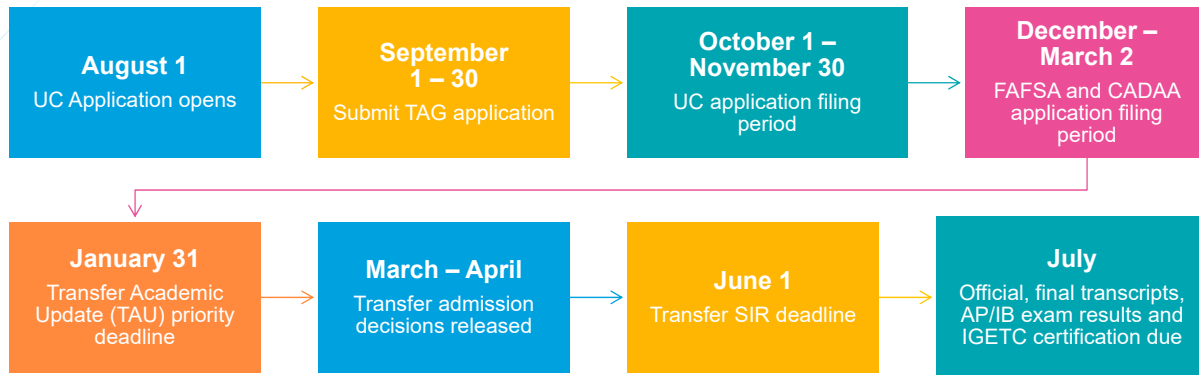

Campuses with medical centers:

UC Davis  
UC Irvine  
UCLA  
UC San Diego  
UC San Francisco

Campuses with schools of law:

UC Berkeley  
UC Davis  
UC Irvine  
UCLA  
UC College of the Law, San Francisco (formerly known as UC Hastings)

## Transfer admission timeline

UNIVERSITY  
OF  
CALIFORNIA

The UC application and admission process is a year-long cycle. Applicants may submit only **one** application per term. The UC application timeline is shown above. Please note that UC does not offer early action or early decision.

**August 1:** The UC application opens.

*Presenter note:* Some campuses may accept winter/spring applications for transfers. That application typically opens July 1 and is due by July 31.

**September 1 – 30:** Transfer applicants interested in TAG must submit a TAG application between September 1-30. They must also submit a UC application during the filing period. TAG campuses include: Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz.

**October 1 – November 30:** UC students can submit applications beginning October 1. The deadline remains November 30. Applicants are not considered on a first-come, first-serve basis, so applicants should take their time in filling out the application thoroughly before submitting.

**December – March 2:** All students should submit a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application (CADAA). The majority of students at UC receive financial aid and scholarships. We'll cover that in more detail later in this presentation. Campuses use information from the FAFSA and CADAA for both admission and scholarships. *Note:* The release date for the redesigned FAFSA in December 2023 has not yet been released.

**January 31:** Transfer students who apply for fall admission will be asked to update their applications through the UC Transfer Academic Update (TAU) process by the end of January. Once they log in to their application, they will be able to give UC their final grades from the previous fall, as well as a list of all courses in progress or planned for winter and/or spring. All students must submit a TAU, even if not enrolled in any courses in the spring term. The priority submission deadline is January 31. The Transfer Academic Update form is open until March 31. Failure to submit the form may jeopardize a student's chances of admission.

**April:** Transfer admission decisions are released throughout the month of April. Campuses do not all release decisions on the same day, but will have all transfer decisions released by April 30.

**June 1:** This is the deadline for transfer students to submit the Statement of Intent to Register (SIR). Students must submit the SIR by that date in order to ensure a place on campus in the fall. Students may only SIR to one UC campus. The SIR deposit is \$250 (eligible students can have their SIR deposit fee deferred until the fall).

*Presenter note:* Anyone admitted at a later time (e.g., admitted from the waitlist) will have a different corresponding SIR deadline.

**July:** Campuses use self-reported information to admit students, so UC does not require (nor want) students to submit any transcripts when they apply for admission. Instead, UC will ask for official transcripts only for admitted students who have submitted their SIR by June 1. Official transcripts for all institutions attended are due July 1, with AP/IB exam results and other certifications (such as IGETC) due by July 15.

### Before you start

- Consider your major and campus options
- Get an unofficial copy of your transcripts
- Write your responses to the Personal Insight Questions (PIQs)
- Create a document outlining all your activities, awards and work/volunteer experience beyond your community college coursework

UNIVERSITY  
OF  
CALIFORNIA

Begin preparing for the application now – don't wait until October or November!

Students should research the campuses now and apply broadly across the system.

- Learn about the majors offered and all the types of courses needed to earn the UC degree to be fully informed about graduation requirements and plan how long it may take to graduate.
- Some majors have different names across the system and may be located in different departments.
- Some majors are not open for every term.

Gather materials that will be needed: transcripts/academic records, list of current and planned courses, awards and honors, volunteer program timelines and hours, employment timeline and hours, etc. These should focus on what you have done after graduating high school, but think broadly about your life and experiences outside of your community college. Include work experience, family responsibilities, community activities, etc.

- **Note:** Official transcripts should not be sent with your UC application. Your UC application will be reviewed using the self-reported academic history you have provided.

Responses to the personal insight questions are important.

- Write responses early; refer to UC's online resources for writing tips, a worksheet and a video to help get started.
  - <https://admission.universityofcalifornia.edu/how-to-apply/applying-as-a-transfer/personal-insight-questions.html>

## Application integrity

**Applicants must complete the UC application thoroughly and accurately.**

**This includes:**

- Academic history
- Activities, awards, work experience and community service
- Personal Insight Questions

**Did you know?**

All applicants must agree to the **Statement of Application Integrity** in order to submit the UC application. This acknowledges that the information reported in the UC application was done so by the student and is accurate.

UC does **verify** information reported in the UC application. Honesty is the best policy.

UNIVERSITY  
OF  
CALIFORNIA

Students must thoroughly complete all sections of the application and do so accurately. This is the student's opportunity to tell the admission staff about personal details that make each applicant unique.

**Accuracy of Details:**

- **Academic History:** MUST be accurately reported--all enrollment, every school/college, all courses and grades (even/especially if a course was repeated). If a student accepts an offer of admission, UC requires official academic records to verify the information reported.
- **"Additional Comments"** box in the Academic History section can be used to provide detailed information or explanations about specific academic issues – declining grades, course selection issues, etc.
- **Activities/Awards:** Applicants should not exaggerate or fabricate awards or activities because the information submitted is subject to verification.

In fact, UC does verify information that students report on the application. It is critical that students do not misrepresent or falsify information, as this is a serious offense and will result in serious consequences. Honesty is the best policy.

## Transfer admission

UNIVERSITY  
OF  
CALIFORNIA

## Minimum junior transfer admission requirements

UNIVERSITY  
OF  
CALIFORNIA

While there may be a few options to transfer to UC before reaching junior status, most UC campuses are primarily looking for junior-level transfer applicants. Transfer students meet requirements in 3 areas to meet minimum UC junior-transfer requirements: a specific pattern of courses, a minimum number of units, and a minimum GPA. These requirements must be completed by the last regular term prior to transfer.

### Courses:

UC will first review your courses to verify you're meeting the seven-course pattern. We will go into detail in the next slide, but know that these 7 courses are required; however, in order to meet the unit requirement, you'll need more than these 7 courses. The rest of your courses can come from general education courses or from courses that prepare you for your major, or both!

### Units:

- Complete 60 semester (90 quarter) units of UC-transferable college credit. This is about two years' worth of full-time study but can be less if a student has dual enrollment college credit or AP/IB/A-level exam scores.
- No more than 14 semester (21 quarter) units of the required 60 units may be taken Pass/No Pass, unless the student is transferring from a college or university that awards only pass credit.

### GPA:

- Students must have a transferable GPA of at least 2.4 (2.8 for nonresidents).

### Notes for the presenter:

- The 7-course pattern may be completed with a Pass/Credit/ Satisfactory grade if such designations are equivalent to a letter grade of C (2.0) or better
- All students must be in good academic standing (2.0 GPA or better) at the last institution of attendance and at any previous UC campus where the student was enrolled in a regular term (e.g., fall, winter, spring).

## Eligibility versus selection

### Major Preparation

- Certain majors may have required or recommended coursework
- Consider taking courses from other CCCs or online UC-transferable courses if your CCC doesn't offer a major preparation course
- Take full course sequences at one CCC

### GPA

- Meet or exceed the minimum transfer GPA
- For selective majors, a strong GPA is especially important

### IGETC

- Not required for admission; may be recommended for certain campuses/majors
- Full or partial certification is available

UNIVERSITY  
OF  
CALIFORNIA

Meeting the minimum transfer requirements alone is generally not enough to be a competitive applicant for selection.

Competitive students will not only have all required major preparation completed but will also have as many recommended major preparation courses completed as possible. Major preparation coursework may be required by each campus for your intended major. Major preparation is important not only for admission, but to ensure that you are prepared for a successful transition into that major once at UC.

You can view UC's Transfer Pathways for a roadmap to some of the more popular majors. However, it is important that you check with the campuses you are interested in applying to in order to learn which majors are selective at the transfer level and what courses are recommended/required for admission to your intended major.

Many majors are highly selective, with average GPAs for admitted transfer students above a 3.0. In these cases, the GPA (overall and in the major) become important factors in selection. Finally, IGETC is NOT an admission requirement. However, some majors at some campuses may encourage students to complete IGETC certification prior to UC enrollment. Some campuses may not accept IGETC, or may not accept partial IGETC.

Students should stay in regular contact with UC campus admission representatives for current information on selective majors, and how students can best prepare to be competitive candidates. Campuses use multiple factors when selecting students. The way in which campuses select students varies, and it is to the student's advantage to include as much information as possible on the application. Admission representatives want to know about the experiences, accomplishments, and challenges of every applicant.

Each campus will complete their own individual review of the application independently of one another, which means that they're going to review the information in the application and select students without asking what the other campuses have decided. Berkeley will not call Los Angeles and ask if they have admitted a certain student. Each campus selects students independently.

## Comprehensive review for transfer

### Academic Accomplishments

- Major preparation
- GPA
- Transfer paths
  - TAG
  - UC Transfer Pathway
  - Pathways +
  - ADT

### Extra- and Co-Curricular Activities

- Special projects
- Internship/research experience
- Work/volunteer experience
- Participation in UC-sponsored programs
- Leadership
- Special talents, skills or achievements
- Awards and honors

### Additional Information

- Life experiences
- Family responsibilities
- Location of college

UNIVERSITY  
OF  
CALIFORNIA

As with first-year admission, campuses are looking for well qualified transfer students who have taken advantage of the educational opportunities presented to them both inside and outside of the classroom.

It is important to note that this is not a checklist. Students may meet multiple criteria of comprehensive review, but these are considered by campuses within the context of the entire application rather than as a rank or point system.

There are comprehensive review factors campuses may use to review transfer students. These include a range of factors in three major categories: Academic accomplishments, co-curricular activities, and additional information.

The faculty-approved comprehensive review factors for transfers include:

- 7-course pattern
- Major preparation
- Grade point average
- Participation in honors courses or programs
- Special talents, achievements and awards
- Completion of special projects
- Academic accomplishments in light of life experiences and special circumstances
- Location of the college and your residence
- Completion of a UC Transfer Pathway or associate degree for transfer (ADT)

These factors are intended to help readers gain more insight into the academic and personal context of students in their own environment.

Create account

Start your UC application at <https://apply.universityofcalifornia.edu/my-application/login>

### Create your account

- New users must enter a unique e-mail address and password
- Students should use an email account they will check *after* finishing at their current college (preferably not a school email address)
- Applicants will use this same account if they apply again in the future
- If the student's family has multiple applicants or has future applicants, different e-mail addresses must be used for each applicant
- Passwords must be at least eight characters (and must include a combination of uppercase and lowercase letters, numbers, and symbols/special characters)
- Create a secret question/answer combination that will be easily remembered
- Be sure to keep login information safe
- Once "Create a New Account" is complete, an email confirming the start of your application will be sent
- Campuses use email to send critical, time-sensitive correspondence to applicants, so provide an email address that is checked regularly and will be kept until enrolling at a four-year university
- Remember to adjust email filters to accept mail from UC addresses

### Log in

- First-time users start by clicking "Create a New Account"

**Level:** Students must select the appropriate level for which they are applying.

- A student who has enrolled in a regular term (fall/winter/spring) at a college or university after graduating from high school should apply as a **transfer** student.
- Most campuses consider students at the junior level only, but certain programs and campuses may also consider sophomore and senior transfers.
- **Note:** Students with CCC coursework **only** – regardless of the number of units completed at the CCC – are not senior-level transfers and should **not** check the senior-level transfer button. Indicating senior-level transfer will significantly reduce the student's transfer options. Only UC coursework (both lower- and upper-division) and upper-division coursework from other 4-year institutions can jeopardize a student's junior standing.

### Citizenship

- Applicants must select a country of citizenship from the country drop-down menu.
- Students who are U.S. citizens will have a follow-up question about tribal affiliation. This response, along with CA residency status determined by the Statement of Legal Residence information, will determine whether the student qualifies for the Native American Opportunity Program.
- Those who choose a country other than the United States will have follow-up questions on permanent residency and/or visa status.

### Undocumented students

- For country of citizenship, select "No Selection" and follow the directions for the SSN below.

### Social Security Number (SSN)

- All applicants who have a social security number (SSN) are required to enter it.

## About you — Statement of Legal Residence

### Statement of Legal Residence (SLR)

- In this section, applicants can choose whether or not they would like to be evaluated for California residency for tuition purposes.
- Both options will prompt additional questions.

\* required

### About you

#### Statement of Legal Residence

To determine your University of California (UC) tuition, applicants must indicate if they would like to be evaluated for a Residence Classification via the Statement of Legal Residence (SLR). You must meet UC requirements to qualify for in-state tuition, regardless of your classification in another system. Parents is defined as natural or adoptive parents, not stepparent. Your answer below has no bearing on your admissions decision.

The following three requirements must be established more than 365 days immediately prior to the residence determination date:

- 1) Physical Presence - You and your parents must be physically present in California. If you moved to California primarily to attend the University of California or another school, you are ineligible for a Resident classification for tuition purposes.
- 2) Intent to remain in California - You and your parents must have established your intent to make California your permanent home and must have relinquished ties to any prior place of residence outside of California.
- 3) Immigration status - You and your parents must be citizens or permanent residents of the United States or be present under a valid I-94 for an eligible visa, and have held that immigration status.

Applicants who do not satisfy all three parts may qualify for a Special Circumstance, Exemption, or Waiver provision (such as an [AB 540](#)  nonresident supplemental tuition exemption) and will be asked to submit additional supplemental information at a future date. For further explanation, read the full [UC Residence Policy and Guidelines](#) .

Note: Undocumented students should use [these instructions](#)  for completing the SLR.

Student must choose whether they would like to be evaluated for California residency for tuition purposes or not.

**Yes, I want to be considered for California residency for tuition purposes:**

- Selecting this option will bring up additional questions about the student's and their parents'/legal guardians' physical presence in California.

**No, I do not want to be evaluated for California residency for tuition purposes:**

- If a student selects this option, they will need to select a reason why they do not want to be evaluated for CA residency.
- They will also need to acknowledge that by selecting the "No" option, they will be classified as a nonresident for tuition purposes.

Undocumented students can refer to our guide (linked in the application) for further details. The next few slides go into further detail.

### Yes, I want to be considered for California residency for tuition purposes:

- Selecting this option will bring up additional questions about the student's and their parents'/legal guardians' physical presence in California.
- **Note:** Different prompts will appear for the requested parent information depending on whether the applicant's parents are married and/or live together.

Additional documentation or information may be requested by the campuses for students who wish to be evaluated for California residency. Be sure to respond to any requests in a timely manner.

## About you — Residency consideration

About you

Statement of Legal Residence

  
\* required

**No, I do not want to be evaluated for California residency for tuition purposes. \***

Select a reason:

☐ I am an international student

☐ My permanent home is in a state other than California

☐ None of the above

☐ By choosing the "No" option, I understand that I will be classified as a nonresident for tuition purposes should I attend a UC school.

### **No, I do not want to be evaluated for California residency for tuition purposes:**

- If a student selects this option, they will need to select a reason why they do not want to be evaluated for CA residency.
- They will also need to acknowledge that by selecting the "No" option, they will be classified as a nonresident for tuition purposes.

## About you — Statement of Legal Residence for undocumented students

### Undocumented students

- Choose 'yes' when asked about physical presence in California, attendance at a California high school and establishing California as permanent home
- Choose 'unknown' for parent physical presence in California and US citizenship status
- Select the appropriate checkbox for AB 540 nonresident supplement tuition exemption.

UNIVERSITY  
OF  
CALIFORNIA

#### Special Circumstances, Nonresident Supplemental Tuition Exemptions, and Tuition Waivers \*

There are several exemptions that might allow a non-resident student to still pay California-resident tuition. A full list of exemptions and waivers can be found in the [UC Residence Policy and Guidelines](#).

Check all that apply.

☐ I believe that I qualify for an [AB 540 nonresident supplemental tuition exemption](#) based on the number of years I have attended school in California.

☐ I am a graduate of a California school operated by the Federal Bureau of Indian Affairs.

☐ I am an amateur student athlete training at a United States Olympic Center in California.

☐ I have a T or U Visa.

☐ I am a full-time employee, or the child/ dependent spouse/registered domestic partner of a full-time employee of an LLC holding a contract to manage a University of California laboratory, or an employee of the University assigned to work outside of California.

☐ I am the child, spouse, or registered domestic partner of a UC faculty member who is on the Academic Senate.

☐ I have been living in California under the care of an adult other than my legal parent for a period of two years or more prior to reaching age 19.

☐ I have or expect to have a Violence Against Women Act (VAWA) immigration status.

☐ None of the above apply to me.

Undocumented students should answer questions as suggested above (assuming they have maintained a presence in California and have attended a California high school). These students will need to provide additional information after admission to the campus Registrar's Office where they choose to enroll.

## Campuses and majors — Choosing your campuses

### Campuses & majors

#### Choose campuses

Each UC campus has different strengths and unique environments. Applying to more than one campus will increase your chances of being admitted to UC and finding a campus that's right for you.

There is an application fee of \$80 per campus, which you'll pay once you submit your application.

You may qualify for a fee waiver which will allow you to apply up to four campuses for free. Make sure you've completed your family's income and size on the [Your household](#) page.

YOUR ESTIMATED COST: \$320

[Save & continue](#)

The map shows the following campuses with their selection status:

Campus	Selection Status
UC Davis	Selected (checked)
UC Berkeley	Not Selected (unchecked)
UC Santa Cruz	Selected (checked)
UC Merced	Not Selected (unchecked)
UC Santa Barbara	Selected (checked)
UCLA	Not Selected (unchecked)
UC Riverside	Not Selected (unchecked)
UC Irvine	Selected (checked)
UC San Diego	Not Selected (unchecked)

UNIVERSITY  
OF  
CALIFORNIA

As a reminder, students only need to submit ONE UC application. You can choose to send it to as many of the UC campuses as you would like.

There is a fee associated with each campus you select (\$80 per campus/\$95 per campus for international applicants), but a fee waiver is available for eligible students that will waive the application fee for up to four campuses. Eligibility for the fee waiver is determined by family and financial information provided within the UC application.

Importantly, though you will be able to apply to multiple UC campuses at once, you do not need to “rank” them or indicate any campus preference. All campuses who receive your application will give it a thorough and careful review – independently from one another. You are encouraged to apply broadly across the UC to increase your chances of being admitted to the UC system. All of our campuses – without exception – providing outstanding opportunities for you to learn and grow.

**Hint:** If only a few campuses show as “open”, this might mean you indicated either a sophomore or senior-level transfer option, or you are applying during the winter/spring term.

## Campuses and majors — Choosing your major(s)

### Choosing a major

Once you've selected your campus choices, applicants will need to indicate a major selection for each campus. The default view is "College" view, which shows you all available majors by their college placement. By default, closed majors will not appear unless you choose to select the checkbox that reads "show closed majors".

**Note:** You do not need to select the same or similar major at each UC campus you've selected. However, transfer applicants should be advised that they need the appropriate major preparation for the major(s) they have selected within the UC application. This is an important factor in transfer admission.

Students can select both a major and an alternate major.

If a campus is unable to offer the applicant a place in the first-choice major, they may consider them for an alternate major—be sure the alternate major is in a subject area that the student really wants to study and that they have appropriate major prep for (and in some cases, it should be in a different area of study than the primary major).

Note that not all campuses will consider students for an alternate major, and that some campuses may have restrictions on changing majors once admitted to that major.

## UC San Diego college ranking

### San Diego colleges

- If a student is applying to UC San Diego, they must rank the colleges in order of preference to have the best chance of assignment to the college of their choice
- The order of ranking of colleges does not affect the chances for admission to UC San Diego
- Boxes to rank the colleges only appear once the student clicks the "Learn more about UCSD college system" link (opens a pop-up window). Students should carefully read the information provided to understand the *"theme"* of each college at UC San Diego.
- All majors are available in all of the colleges.

### For California Community College students:

- The transferable course lists for California community colleges are pulled directly from the ASSIST database - <https://assist.org/>.
- Each department can be expanded to display the transferable courses by clicking on the plus (+).
- Applicants should use unofficial transcripts to ensure they report the correct term, course number, title, units and grade received for each course.
- Grade codes are listed for applicants. Students should only report Academic Renewal (AR) as the grade if the academic renewal has already been approved and appears on the transcript.

### For all students:

Students **must enter all courses** taken even if they believe they are not transferable; they don't want credit for them; they believe the "old grades" are not reflective of their current academic abilities; an Academic Renewal (AR) or Incomplete (I) grade was earned; they withdrew from the course; or they later repeated the course.

**Missing/inaccurate information may be viewed as falsification and result in cancellation of the application at all UC campuses.**

Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

Another opportunity for us to learn more about you is within the Personal Insight Questions (PIQs). This is the written section of the UC application. Think of this as your opportunity to share additional and more detailed information that cannot be found elsewhere in the UC app, including what circumstances/experiences have shaped your academic/personal experiences.

Applicants must respond to three (3) of the seven (7) prompts, plus the mandatory prompt (for a total of four responses). All questions have equal value, so respond to the three additional questions that are most relevant to you and your experiences!

Keep in mind, these are not essays. With only 350 words allowed per response, your PIQ responses should be direct and literal. Focus on what information you are sharing in your responses, not the style of your writing. Readers will not be evaluating these like a writing sample. This is an important part of the UC application and the campus review, so be sure that you are taking your time and using the available resources to maximize this section.

There is also an “Additional Comments” field in the UC application. That can be used if there is important information that you didn’t get to share elsewhere in the application that you want the campuses to know. This is also not an essay, so you can be direct. Do not use this section to answer an additional PIQ question!

PIQs

- Respond to 3 of the 7 additional prompts. Remember, all questions hold equal value!
- 350 words maximum per response

**Tip:** Work on your PIQ responses in a separate document to check for spelling and grammatical errors. Once ready, copy and paste them into the UC application

Personal insight questions

\* required

You'll need to answer 4 questions: One question is required, and 3 are your choice.

We realize that not all questions apply to all applicants, so be sure to select the 3 questions that you believe give us the best information about you.

All 8 questions are given equal consideration in the application review process. Responses to each question should be between 250-350 words.

Personal insight questions

Want a copy of the personal insight questions emailed to you? It's a good idea to work on these before you enter them in the application.

Email questions

Please answer the required question

Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

Answer

Please answer any 3 questions below

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.

Answer

2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.

Answer

3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?

Answer

4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.

Answer

5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?

Answer

6. What have you done to make your school or your community a better place?

Answer

7. Beyond what has already been shared in your application, what do you believe makes you a strong candidate for admissions to the University of California?

Answer

This is a screen shot of the PIQ page. The word count is listed here, and students can opt to have the PIQ questions emailed to them on this screen.

Applicants should work on their PIQ responses in a separate document (e.g., Word document) and then copy and paste them into the UC application once ready. The UC application does not allow for tools such as grammar and spell check!

Transfer students are required to answer how they have prepared for their intended major.

- Avoid listing courses taken
- Focus on experiences in and out of class that show interest in the major/field
- Discuss how the applicant has taken the initiative to learn more about the major/field and gain greater knowledge and depth

#### Additional comments

\* required

If there's anything else you want us to know about you, now's your chance. But remember, you should use this space only if you want to describe anything that you have not had the opportunity to include elsewhere in the application. This shouldn't be an essay, but rather a place to explain unusual personal or family circumstances, or anything that may be unclear in other parts of the application.

Students can use the additional comments section to explain any situation, circumstance or experience that does not appear anywhere else in the application or is not fully explained in the application. Students can use this space if they have been significantly impacted (beyond what all other students have experienced) by the COVID-19 pandemic or by any of the various social justice movements. The Additional Comments section is not an opportunity for an additional essay.

### Academic review \* required

We want to do one last check to make sure your academic information is accurate. If you have missing coursework or gaps in education, you'll need to confirm the information is correct before you can continue with the submission process.

#### Gap in education

Your academic history indicates a gap of more than five months in your college education. Please use the space below to briefly explain the reason for this gap, and what you did or plan to do during that time. If this is incorrect and you do not have a gap in your education, you can edit your information by clicking the "Edit 'Academic history'" button below.

#### Verify units and applicant level

Junior-level transfer students must have a minimum of 60 semester units or 90 quarter units. Based on the coursework information you provided in "Academic history," the number of units you reported (47 semester/70.5 quarter units) does not meet the minimum required for the level you selected. This total, however, does not include units you may have earned from AP, IB, and/or A-level exams.

If you think the coursework total (without exams) is incorrect, click on the button below to return to "Academic history" to edit your courses. If the total is correct, or if you believe you will have the minimum units with test scores you've reported, please check the box below to confirm your courses are accurately reported.

### Gaps in education

- Applicants must explain all gaps in education for each term not enrolled. If you did not address this earlier in your application, it will prompt you here again.
- This will not disqualify you from being admitted; this is to help admission representatives understand your full educational and life context.

### Verify units and applicant level

- The application does a quick estimate of units to verify whether the student has sufficient units for the level they've applied to. **Note: This tally does NOT include AP, IB or A-level exams.**
- Students can go directly back to the Academic History to add courses/units they may have forgotten to add. Or, if the student knows they have enough units with exam scores, they can check the box confirming that they've reported the correct number of units. This will allow the student to continue with the submission process.

## Billing summary and fee waiver

- There is an \$80 applicant fee per campus (\$95 for international applicants).

### Fee waiver

You've qualified for a UC application fee waiver.  
The fee waiver allows you to apply to up to four campuses for free.

Would you like to accept the fee waiver? \*

☐ Yes ☐ No

### Continue to payment \*

Application fees are not refundable. Once your application has been submitted, you are expected to pay for all your campus choices, even if you cancel a campus at a later date.

Before proceeding to the payment process, you must agree to the following statement(s):

☐ I understand that I am responsible for paying all appropriate application fees and that my application will not be processed unless I submit the fees, or an approved fee waiver, by the date requested.

☐ I reviewed my application in its entirety, and made all necessary updates and corrections. I understand that I won't be able to change most of the information in my application once I submit it. I am ready to pay and submit.

### Application Fees:

- For U.S. citizens or permanent resident students, the application fee is \$80 per campus.
- For International and non-immigrant applicants, the application fee is \$95 for each campus selected.
  - If an international or non-immigrant student currently attends school in the U.S., however, they may be eligible to pay the lower application fee of \$80 per campus.
- The application tool will advise of the fee amount on this page.

### Fee Waiver:

- A fee waiver is automatically calculated for California and domestic residents. The fee waiver calculator is activated from answers about the applicant's family size and income.
- If a fee waiver is granted, **the applicant must select "Yes" to accept the fee waiver.**
- If an applicant decides not to answer those questions, they *may* qualify for a fee waiver but would not receive one.

If the applicant makes a mistake on the family income amount, they can correct the information with an 'edit' button; eligibility for the fee waiver will automatically re-calculate with the revised information .

### Fee Waiver Eligibility

- For U.S. citizens or permanent residents or students who have attended a CA high school for at least 3 years, if students meet the low-income criteria used to qualify for free and reduced lunch, they will qualify for a UC application fee waiver for up to 4 campus choices but will be responsible for payment for any additional campus(es) to which they choose to apply.
- Students in California on a visa are not eligible for the UC application fee waiver.
- UC also accepts the College Board, ACT or NACAC fee waiver. Only one waiver may be used.

### Payment:

- Application fee payment is required and non-refundable.
- Payment may be submitted by credit card in the application tool; **or** by mailing a check or fee waiver if a student didn't qualify for the UC application fee waiver but meets criteria established by the waiver provider.

## Release authorizations and Statement of Integrity

### Release authorizations

If you agree with a statement below, check the box next to it. These conditions are all optional and not agreeing will not affect your admission to the university. Not agreeing with a condition may have other consequences, so please read each one carefully. You may log back in to your application at any time to change these preferences.

☐ I authorize the University of California to release application information, including copies of my application, to outside agencies that award scholarships.  
*Without this authorization, your application will not be shared with outside agencies that provide scholarships.*

☐ I authorize the University of California to release biographical information from my application (including information regarding my ethnicity and sexual orientation) to recognized UC organizations and alumni groups that may wish to contact me before and after admission decisions are made.

☐ I authorize the University of California to release to my school or college counselor/counseling office (or sponsoring agency) information regarding my application, including transcripts and other supporting documents, as they relate to my admission and scholarship status.  
*If you do not check the box, UC may not inform your school or counselor whether you have applied or been admitted.*

☐ I authorize the University of California to release to my parents/legal guardian or spouse information regarding my application, including transcripts and other supporting documents, as they relate to my admission and scholarship status.

*Without this authorization, information regarding your application will not be disclosed to your parents/legal guardian or spouse. For example, if you do not check the box, they cannot inquire about the receipt of your application, transcripts or other supporting documents, nor inquire about the status of your application.*

## Release authorizations and Statement of Integrity

The application cannot be submitted without the applicant's electronic signature and acknowledgement of the Statement of Integrity.

The Statement of Integrity is to affirm that all information in the application is accurate and the personal insight responses were written by the applicant. **If information is withheld, such as poor grades, or falsification is detected, the application is subject to cancellation.**

### Signature Releases

- Review and check the release authorizations to share application information with scholarship agencies, parent/guardian, counselors and/or UC organizations and alumni groups.
- Electronically sign and date the application to verify accuracy and acknowledge that the applicant is the author of their personal insight responses.
- The electronic signature also authorizes the release of official examination score(s), if submitted, to all UC campuses to which the student applied.
- Information in the application is subject to verification. If an applicant is selected for verification, non-compliance will result in cancellation of the application and the application fee will not be refunded.

### Transfer Academic Update

#### Introduction

To ensure we have your most current academic information, sophomore, junior and senior transfer applicants are required to submit a Transfer Academic Update (TAU). You must provide your final grades from the previous term and list all courses in progress or planned for the term before you expect to enroll. Even if you do not have any in-progress or planned courses and your academic record was complete in your original application, you still must complete the Transfer Academic Update.

**Instructions**

You must complete each TAU section in sequential order. Once all steps are completed, you can review your information on the "Review & submit" page. From that page, you can navigate to each section, fix any errors or make any changes, and proceed through each section again. Once your information is correct and complete, you can submit the TAU.

Each applicant must submit at least one TAU. Once a TAU is submitted, it cannot be edited or changed. If you need to make any additional changes or updates, you'll need to submit a new TAU.

You have not submitted the Transfer Academic Update.
